Visitor Badges with  
**EXPIRING**  
technology™

**eVISITOR SOFTWARE**

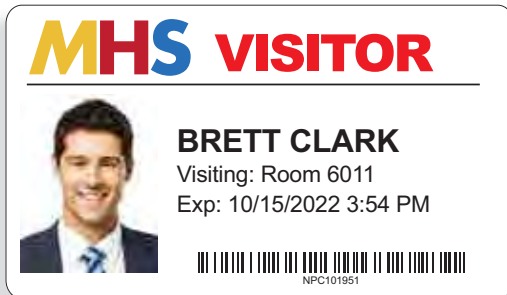

Visitor Software

**FOR:** ✓ Hospitals ✓ Schools ✓ Businesses  
✓ Anywhere you need to protect people and property.

## Sign in and badge every visitor.

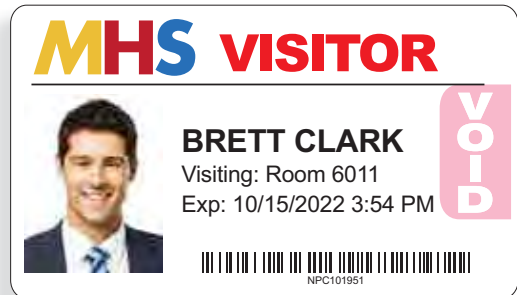

---

Use visitor badges with **EXPIRING** technology to show who has signed in today and who hasn't.

**VALID** today...

A white badge means the visitor has signed in today.

**VOID** tomorrow!

A pink "VOID" means this visitor did not sign in today.

---

How Visitor Badges with **EXPIRING** technology change color:

This EXPIRING Visitor Badge has a "tab" with special ink on the back.

After printing each badge, fold the tab behind it.

The special ink gradually moves from the tab to the front of the badge. By the next day, the badge is completely "VOID."

# CUSTOM Visitor Badge Tags

## Customization for more flexibility and secure identification

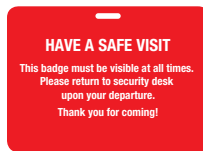

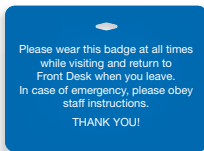

### Specify the visit!

**Identify restricted areas or special visitors** by name and color, so you know a visitor is authorized.

### Include your logo!

**Brand your badge tags** with your organization's name or logo for a unique look that discourages forgery.

### State your policies!

**Use the back** of your badge tags for policies, emergency instructions, or other information.

### Use all by themselves!

Use badge tags all by themselves for **recurring situations** at your facility.

## It's easy to customize your Badge Tags

- ✓ Add your name or logo, especially if your adhesive visitor badges don't include your brand already.
- ✓ Have them printed however you want on front and back, in the color of your choice.
- ✓ See examples above.

### Reusable Badge Tags

Can be used multiple times. **Laminated** on both sides for durability. All labels remove easily from Temp-Stick™ coating.

#VCRBT1

# eVisitor Software

## What it is:

- ✓ A robust yet easy-to-use visitor management system with cloud-based data storage.
- ✓ A Windows-based program that works on your staff's existing computer hardware, such as a desktop, laptop, or tablet.
- ✓ Ideal for any size organization. Available as single or multi-terminal systems.

## How it works:

- 1 Sign in visitor with driver's license scanner (a) or reader (b)
- 2 Enter destination or other information with keyboard
- 3 Print badge in color or black and white
- 4 No driver's license? Take a clear photo with the camera. (See "Auto-Crop" on facing page.)
- 5 Create reports

Shown: **Desktop** version.

**Kiosk** version for visitors to sign themselves in.  
Contact us for details.

# eVisitor Software

## Special features for extra security and safety:

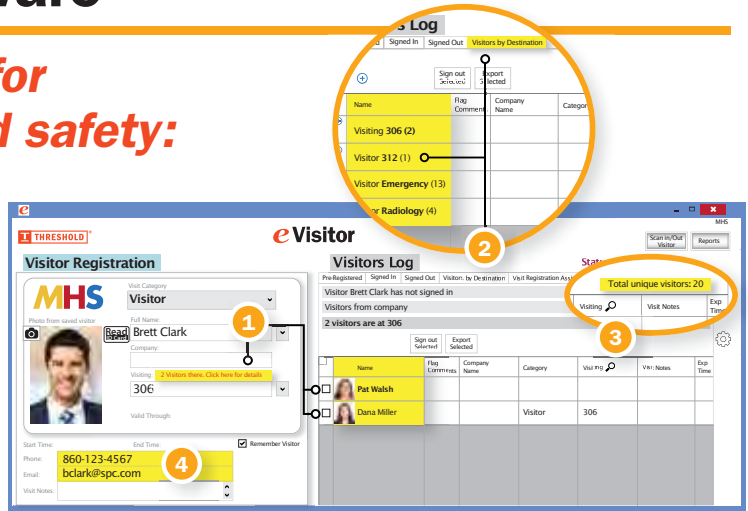

### Track and limit visitors

Know how many visitors are in your building and where they are by:

- 1 The exact room a visitor asks to visit and who is there now
- 2 All rooms in your building and how many visitors are in each
- 3 The total number of visitors in your building

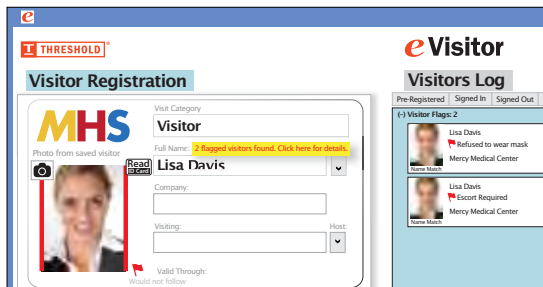

### Contact tracing

- 4 Collect visitors' phone numbers or email addresses when they sign in.

### Flag alerts

For returning visitors who were involved in prior incidents.

### Auto-Crop

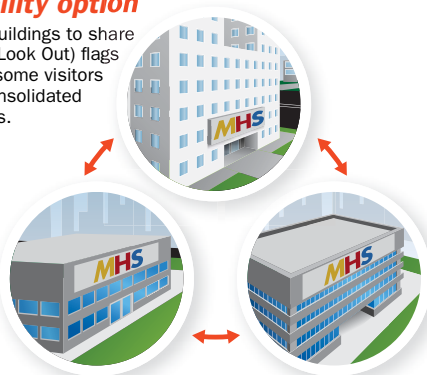

Perfectly crops, positions, and enhances photo for a clearly printed badge and a positive I.D.

eVisitor software makes your photo badges (right) look better than those printed on a direct thermal printer by other programs (left).

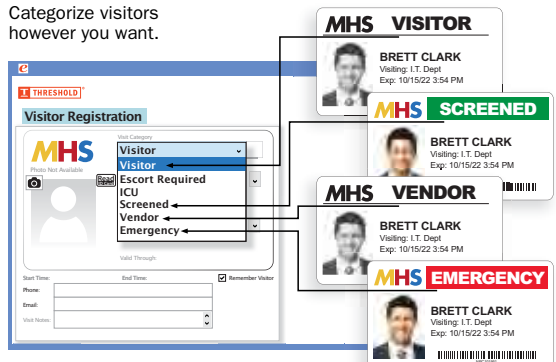

### Multi-facility option

Link all your buildings to share BOLO (Be On Look Out) flags about troublesome visitors and create consolidated activity reports.

### Custom dropdown menu

Categorize visitors however you want.
